

Support Kelsey

Florence Old Gym on November 2nd at 5p.m.

On September 24 Kelsey Deschamps had brain surgery to remove a Cavernous Malformation (cluster of red blood cells) from her brain stem. On November 2nd there is going to be a chili feed and silent auction to help raise money for medical costs. If you would like to support Kelsey, please come to the chili feed and silent auction. There will be no admission cost, but donations are greatly appreciated!

For questions call:

Carli O'Brien at 207-3221

Hailey Huot at 239-2160

Or join the event on Facebook for more info:

Fundraiser for Kelsey Deschamps

Kelsey has attended Florence since she was in kindergarten and is now a senior. She hopes to have a great recovery and be back to her friends and family soon. Her mother, Leanne is an English and French teacher at Florence. Together these two ladies have done tremendous things for the community! So we should return the favor!
